

## FOOD BANK FUNDRAISER

### THE SHELVES ARE BARE AND THANKSGIVING IS COMING

Who is a highly respected business woman by day, wears a hard hat and steel toed boots with flair, wears the love of her community on her sleeve and is a super hero in disguise?

It is MICKY FLEMING, President and CEO of Cherish at Central Park, the new senior living residence on the corner of Jacklin and Jenkins opening on November 1, 2017!

Join Micky (also known by her super hero name – Silver Wings) and her Cherish Champions (Dr. Dignity, Professor Elder Advocate, Senior-ita The Age Avenger, Powerhouse Pebbles, Six Pan Pete The Culinary Cowboy and Maestro the Magnificent) as they fight hunger for our West Shore Community.

Micky will be placed in a **cherry picker** and will not come down until **1 ton of food** is collected for the Goldstream Food Bank!

**How can you help?** Drop off your non-perishable food items to our bins on Friday, October 6<sup>th</sup> at SD 62 on Jacklin Road.

What we can do together as a group is truly amazing! Let's help those less fortunate in our community have a Happy Thanksgiving!

**When:** Friday, October 6<sup>th</sup> starting at 7am

**Where:** School District 62 parking lot (3143 Jacklin Road) on the west side. You won't be able to miss Micky in the cherry picker!

*A special note of gratitude goes out to the Superintendent and staff of School District 62 for allowing us to use their property; thus making this event possible. THANK YOU!*

*Thank you to Richlock Rentals for the use of their cherry picker. Thank you to Steve Harry of Alpine Group for the collecting and delivering of the food donations to the Goldstream Food Bank.*

*Cherish at Central Park – 250-478-4431*
