Suggested donation: \$5 per participant.

vioprograms@gofishbc.com or call 1 (250) 886 1488

Fishing fun for kids 5 to 15 and their adults.

In one hands-on session you'll learn where, when and how to catch fish – including:

- Fish identification and biology
- Habitats and conservation
- Rods, reels, lines and tackle
- Rod rigging and knot tying
- Casting and retrieving
- Fish handling and fishing ethics
- Safety and fishing regulations.

All equipment and tackle is provided. Parent supervision is required.

Presented by the Freshwater Fisheries Society of BC, with the financial support of the Habitat Conservation Trust Foundation and the Province of British Columbia.

For more information on the Learn to Fish program please contact the Freshwater Fisheries Society of BC's **Victoria Learn to Fish Instructors** at 1 (250) 886 1488 or e-mail: vioprograms@gofishbc.com
