**MEDIA RELEASE  
October 8, 2020**

**INFORMATION FOR RESIDENTS AND BUSINESS TENANTS OF EVO WEST  
(844 GOLDSTREAM AVE) AFFECTED BY OCTOBER 8, 2020 STRUCTURE FIRE**

**(Langford, B.C.)** – Langford Fire responded to a structure fire at 844 Goldstream Ave (Evo West) at approximately 1:15 pm on October 8, 2020. Colwood and View Royal Fire Departments were also in attendance. All residents and pets were safely evacuated, and firefighters were able to extinguish the fire in a timely matter. The building has 48 units in total and is home to approximately 100 residents.

All residents of Evo West are required to check in with Emergency Social Services (ESS) at the Royal Canadian Legion (#91 Langford Branch) located at 761 Station Ave. This is required even for those who do not need immediate assistance with accommodation or other necessities so that they can be kept up to date with the latest information.

If necessary, residents are currently allowed to return to the building to collect their essential belongings. Residents are not permitted to remain in the building tonight. ESS will be providing those in need with alternative accommodation and gift cards for food and other necessities. If residents require transportation to the Legion, they are asked to submit their receipt to ESS for future reimbursement.

Residents with questions regarding accommodation or other immediate needs are asked to speak with ESS at the Legion. This evening, Firm Property Management, the company that manages the Evo West building, will be providing a statement to residents at the Legion.

Ground floor business tenants of Evo West are asked to contact Firm Property Management with their inquiries.

Further information to follow.
