Indemnity Clause		
Sewage disposal permits are issued pending a 30 day appeal period. Installation of usage disposal system and/or construction of a building before the expiry of the 30 day appeal period is done so entirely at the owners risk. An occupancy permit will not be issued without the approval of the Ministry of Health.		
The applicant, developer, contractor, or owner, assumes all risks or hazards incidental to building inspection services and agrees to release, save harmless and indemnify the City of Langford and its officials, agents, servants, and representatives from and against all injury, loss or damage to the person or property of the applicant, developer, contractor or owner, however caused, arising out of or in connection with the building inspection services, notwithstanding that the same may have been contributed to cause or occasioned by the negligence of the City of Langford, its officers, employees, officials, agents, servants and representatives. It is understood that no warranty is implied for building inspection services of the City of Langford and that this agreement is to be binding myself, my heirs, executors and assigns.
