NOTICE OF PUBLIC HEARING

The City of Langford intends to make an application to the Provincial Agriculture Land Commission to remove lands as shown on the map below from the Agriculture Land Reserve. All persons who believe that their interest in property is affected by the proposed Proposal will be afforded an opportunity to be heard or to present written submissions respecting matters contained in the Proposal at a Public Hearing to be held in the **CITY OF LANGFORD COUNCIL CHAMBERS, Third Floor, 877 Goldstream Avenue, Langford, BC, on Tuesday, September 8 2015, at 7:00 pm**. Please be advised that no representations may be received by Council after the close of the Public Hearing and any submissions made to Council, whether orally or in writing, will form part of a public record.

Location: The lands that are the subject of the block application are as shown shaded on the plan.

The intent of the application is to implement the South Langford Agricultural Plan by excluding from the Agricultural Land Reserve those lands with low agricultural capability, small size or other factors which limit their use for agriculture. The City of Langford intends to provide agricultural infrastructure support to those lands remaining in the Agricultural Land Reserve as outlined in the Langford Agricultural Plan and the Official Community Plan. Because of the large number of parcels involved, a Block Exclusion Application by the City of Langford was deemed the most efficient way to implement the Plan.

COPIES of the complete proposed Proposal and other material that the Council may consider in relation to the Proposal may be viewed from 8:30 am to 4:30 pm, Monday to Friday (holidays excluded), from Monday, August 24 2015 to Tuesday, September 8 2015, inclusive, at Langford City Hall, 2nd Floor, 877 Goldstream Avenue, Langford, BC, V9B 2X8. Please contact Matthew Baldwin, Director of Planning in the Planning Department at 250-478-7882 with any questions on this Proposal.
