## ***Notice of Intention to Consider Issuance of a Development Variance Permit***

Council for the City of Langford hereby gives Notice of Intention to consider issuance of a Development Variance Permit at its Regular Meeting scheduled for 7:00 pm, Monday, 3 February 2014, in the City Hall Council Chamber on the Third Floor of 877 Goldstream Avenue.

**File** Development Variance Permit No. DVP13-0021

**Applicant** Michelle Mahovlich, City of Langford

**Location** Leigh Rd

**Proposal** That Section 9.2 of the Subdivision and Development Servicing Bylaw No. 1000 be varied to nullify the requirement to underground telecommunication thereby permitting existing electrical and telecommunications services to remain overhead and to allow any extensions of services to be installed overhead.

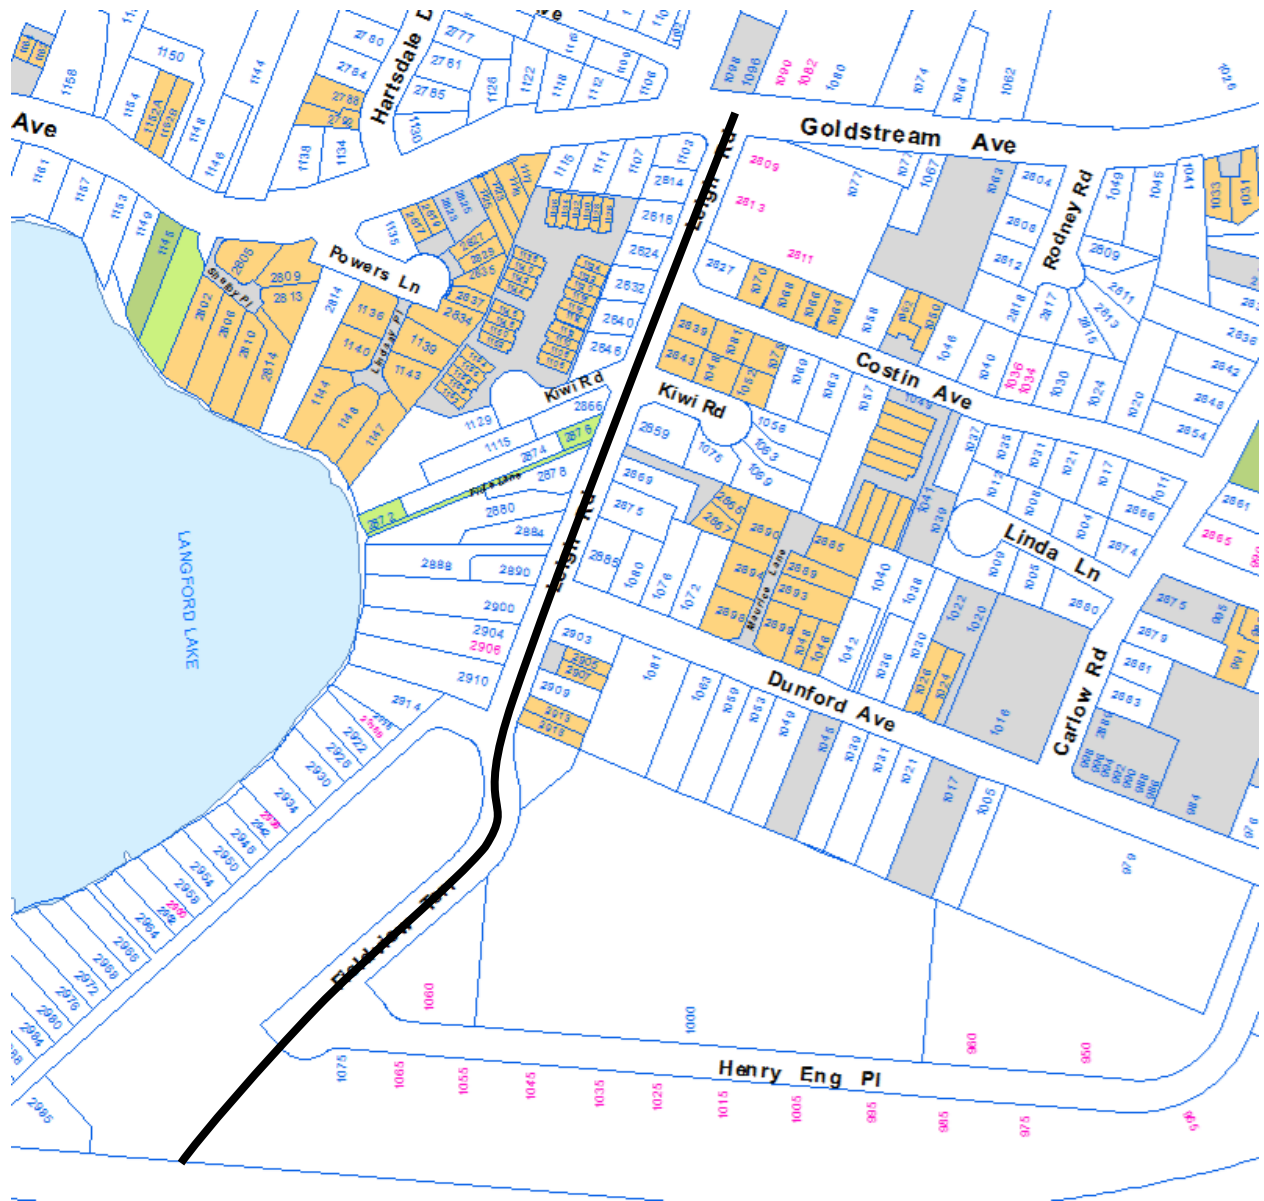

**Purpose** To allow for the provision of overhead electrical and telecommunications services along Leigh Road from Goldstream Ave to the railroad tracks past Fieldview Terrace.

The purpose of this Notice is to acquaint the property owners and residents in the area with the specifics of the proposed variance. We request that the Administrator receive any written submissions by Wednesday, 29 January 2014. The submissions will then be distributed for Council's consideration. You may also speak at the Council Meeting of 3 February 2014 during the Public Participation Section at the beginning of the meeting.

Relevant background information and a draft of the permit are available in the Planning Department for perusal Monday through Friday, except Statutory Holidays, during office hours (8:30 am to 4:30 pm). If you have any questions, please call Daryl Minifie in the Engineering Department.
