

**Notice of Intention to Consider Issuance of a
Development Variance Permit**

Council for the City of Langford hereby gives Notice of Intention to consider issuance of a Development Variance Permit at its Regular Meeting scheduled for 7:00 pm, Monday, 17 March 2014, in the City Hall Council Chamber on the Third Floor of 877 Goldstream Avenue.

File Development Variance Permit No. DVP13-0023

Applicant Mike Wignall, Westbrook Consulting Ltd.

Location 2605 Millstone Dr

Proposal 1. That Section 9.3 of the Subdivision and Development Serving Bylaw No. 1000 be varied to nullify the requirement to underground hydro and telecommunications services thereby permitting the new aerial crossings.

Purpose To permit the installation of overhead services from the opposite side of Millstone Drive to service Lots 3 and 4 of the proposed subdivision of 2605 Millstone Drive.

The purpose of this Notice is to acquaint the property owners and residents in the area with the specifics of the proposed variance. We request that the Administrator receive any written submissions by Wednesday, 12 March 2014. The submissions will then be distributed for Council's consideration. You may also speak at the Council Meeting of 17 March 2014 during the Public Participation Section at the beginning of the meeting.

Relevant background information and a draft of the permit are available in the Planning Department for perusal Monday through Friday, except Statutory Holidays, during office hours (8:30 am to 4:30 pm). If you have any questions, please call Brent Molnar in the Land Development Department.
